**Re: Freedom of Information Request**

**1. 5600 North Ridge Avenue, Chicago, IL 60660**

Dear Sir/Madam,

Velocity Consulting, Inc. ("Velocity") is a due diligence company that has been engaged to perform an environmental and engineering assessment of the above-listed properties ("subject property").

Velocity is interested in reviewing subject property records your office may have regarding the following:

- Hazardous Materials
- Records of registered, installed, or removed petroleum or chemical underground or aboveground storage tanks
- Reported spills

We are also interested in finding if there are any active or closed violations that have been issued by the Department of Environmental Protection. If such violations do exist, please forward any documentation. If there are no open violations for the property, please return notification to that effect.

If you have any questions or concerns regarding this request or if you need additional information to assist with your record search, please feel free to contact me via phone at (212) 629-0690 or email at [aclifford@velocityconsulting.com](mailto:aclifford@velocityconsulting.com)

Sincerely,
